TRADITION & DURABILITY

## BATTERY KNAPSACK SPRAYER FUNCTIONS AND FEATURES

The most advanced knapsack sprayer in the world.

Battery Knapsack Sprayer PJB - 20.

20 litres / 5 gallons of capacity, removable battery, soft padded strap and 5 constant pressure levels make the PJB the most desired sprayer in its category.

### REMOVABLE BATTERY

Easy installation and removal. Full charge in only 4 hours.

Exclusive internal filter prevents clogging of the pump.

Displays battery charge level, pressure and alerts.

Adjustable 4-speed walking pace indicator, with audible signal, to help the operator maintain a constant walking speed.

Shuts off automatically after 10 minutes without operation.
